

# Inner Circle Partner UPDATE

*Accelerating the Gospel through Targeted Grants and Scholarships*

August 23, 2012

Dear Partner,

You can't possibly know how grateful Mary Jo and I are for all our faithful partners in Strategic Global Mission. Our "baby" ministry is taking off like a rocket, and we can't wait to see what God has in store for the future of this ministry. Thank you!

*Here I am with Michael Woods and Myles Munroe in Greensboro, NC.*

Many great things have been happening at Strategic Global Mission. Since my last update, we came back from Greensboro, North Carolina, where we had an awesome time at Michael and Ramona Woods' **Wealth Empowerment Conference**. Myles Munroe was there, and we had a great roundtable discussion that was televised on Black Network Television. What a thrill!

A whole gang of intercessors came along, Lisa White and Geoffrey Williams staffed the book table, and Robert Glennon was there as my strong right arm.

We were barely home two weeks when we headed for California. First, we were in Palm Desert at The Rock Church with Pastor Eddie Alguera and Harry and Cheryl Salem for a **Trichotomy of Wealth Seminar**. Then we ministered with Pastor Tommy Barnett at Angelus Temple, in Los Angeles. Finally, we were with Pastor Ron Eivaz at the Harvest Christian Center in Turlock for a **Holy Spirit Seminar**. I'll have some pictures to share from

*Thank God for our faithful prayer warriors!  
I couldn't do it without them.*

this trip next month, and I can't wait to

tell you about the awesome altar calls we had in Los Angeles and Turlock! God was there and working with us.

## Guatemalan Scholars Graduate

In July I received a letter from Rony and Carol Ruano. They are missionaries to South America with national headquarters in Guatemala where the **Living Water Teaching Bible Institute** is located. SGM has been supporting the students of this

school with scholarships and Rony and Carol included some touching thank you letters. I want to excerpt a few comments from their letters so you can see how important the SGM scholarship program is. Each month I will highlight one scholar, and this month it's Jackson Pierre. Jackson is 31 years old and came from Haiti to study at Living Water Teaching Bible Institute. He wrote...

*"I thank God that I am here in Guatemala learning more about His Word so that I can fulfill His purpose in my life. Thank you so much supporters for contributing so I can be trained as a minister of God to take the Word to all the people who need it in my country.... My calling is to be an evangelist and when I leave Living Water Teaching, I will go back to my country to preach the Word of God in every single town possible in Haiti. Again, thank you for the opportunity you have given to me...."*

*Jackson Pierre—your SGM man in Haiti.*

Your giving has made it possible for an on-fire, well-trained, evangelist to bring God's message of salvation and hope to one of the most spiritually "dark" places in the world. Like ripples spread when a pebble is thrown in a pond, your giving is spreading the Good News of Jesus Christ throughout the world! Through SGM you are changing the lives of people you will never meet in this life, but who will thank you in the next.

## More Notes on SGM at Work

I received thank you letters from several other ministries that are supported by SGM. Here is one from John Gunn, Executive Director of **The Power Company Kids Club in Pontiac, Michigan**. He wrote:

*"We receive no government funding and rely completely on the Lord and His people to make the ministry to our city's children possible. Thank you for your faith and your willingness to trust and obey the Lord's directives... Thank you for standing with us and investing in that which is eternal."*

One of Jesus' prime directives was to minister to people in prison. SGM supports New Directions, Inc., and we recently donated 1,320 copies of ***What to Do if You Miss the Rapture*** to them. Len Hill and his team do an outstanding job of getting the salvation message to 19 prisons, 4 county jails, 2 youth offender facilities, 2 rescue missions and 3 nursing homes. This is good ground for our seed!

*The drywall is going up!*

## 428 Building Progress Report

We are SO ready to move into our new ministry center and are making great progress. Please continue to pray for the swift completion of the construction portion. I'm thrilled to report the drywall is done! I know once we get into 428 and get organized in our space, we will be able to make even more good things happen for God's mission to the world. ## Friends Remembered

Evangelist, pastor, and songwriter Lowell Lundstrom went to heaven at 8:30 a.m. on Friday, July 20, 2012, at the age of 72. For over 40 years, Lowell and his wife, Connie, held interdenominational crusades throughout North America. Connie passed away last December and now they are together once more.

Nearly a million people have given their hearts to Jesus Christ in meetings where Lowell Lundstrom sang and preached. Lowell served for 10 years as president and chancellor of Trinity Bible College, in Ellendale, North Dakota. In the fall of 1996, Lowell and Connie started Celebration Church in Minneapolis.

*Connie and Lowell Lundstrom.*

Lowell was my good friend, and I was deeply honored to conduct his funeral service in Minneapolis. Mary Jo and I send our love to the Lundstrom family, Pastors Londa and Brent, and the staff and members of Celebration Church.

*Marilyn Yeboah*

Mary Jo and I were saddened to hear that another dear friend was called home recently. Marilyn Yeboah, a former Gilead employee and wife of evangelist and church planter Anthony Yeboah, stepped into eternity while she was in Africa. A memorial service will be held at Mount Hope Church on Friday, August 31, 2013, in the Garden Prayer Chapel at 11:00 a.m., with a luncheon to follow. Though we will miss her sweet and gentle spirit, we rejoice that she is with her Savior, and we will see her again one day.

## Taking The Wealthy Place Seminar to Rochester, Michigan

On Sunday, September 9, 2012, I'll be at Rochester First Assembly in Rochester, Michigan with Pastor Richard Crisco to speak at their regular Sunday services. I'll be giving them a taste of what I'll be bringing the following Friday and Saturday (September 14–15) during **The Wealthy Place Seminar**. I'd love to see your friendly face there on Sunday. If you would like to sign up to take the seminar, contact Rochester First Assembly at 248-652-3353. If you sign up before August 31st, it's just \$79/person, \$149/couple.

## Thank You for Your Generosity!

Writer Christopher De Vinck tells a story about the dangers of being too focused on our own concerns. One morning, he was making toast. De Vinck's young daughter, Karen, came in and asked him to make her some as well. Suddenly, he heard Karen scream. He turned to find her on the floor writhing in pain. Karen had kissed the toaster and had badly burned her lips. She had developed the cute habit of kissing her reflection in the mirror each day. So when she saw herself reflected in the side of the shiny toaster, she naturally kissed her reflection. Her little act of self-involvement resulted in a great deal of pain.

I thank God that you are not self-involved. You know the importance of generous seed planting in God's Kingdom to reap a harvest of rewards in the here and now and in eternity. You know that every dollar you invest, every hour you donate to fulfilling God's purpose will be multiplied back to you many times! Thank you.

Your friend in Jesus,

Dr. Dave Williams
