

Inner Circle Partner UPDATE

Accelerating the Gospel through Targeted Grants and Scholarships

April 17, 2012

Dear Partner,

Thank you, thank you, thank you! **You are the backbone of this ministry!** *Thank you, partner!* People have been running up to me to volunteer their services for renovations at the 428 building. Precious souls have offered their services in electrical, dry walling, painting, and general help!

If you'd still like to be involved in the renovations go to www.davewilliams.com/428building or call our volunteer coordinators at 517-618-1341. I can promise we'll have lots of fun and lots of chili and corn bread!

And...our generous partners have donated **\$56,379.20 for the renovation project**, which will begin as soon as we have the township permits. We have only \$58,620.00 to go in order to complete the renovation. Of course we don't have the final figures yet, but this is pretty close.

Robert Glennon, our executive director, will get information to you when we're ready for volunteers.

We are so overwhelmingly grateful to Pastor Kev and the Mount Hope Board for donating one of the nine office buildings to SGM. That means more money is available for scholarships and grants! Thank you, Mount Hope...so much!

NEW CHURCH PARTNERS

This past month we received the first installment of monthly support from:

Mount Hope Church—Lansing
Valley Family Church—Kalamazoo

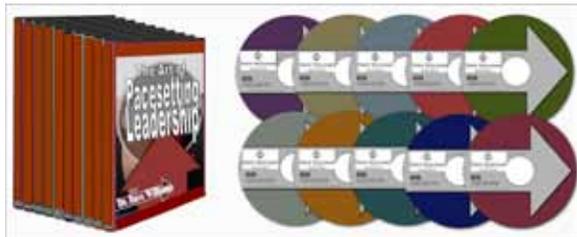

Thank you Mount Hope and thank you Valley Family!

My personal commitment is to **make your giving go further than seems naturally possible, and to never use scholarship or grant designations for anything else!** I wish all Gospel Churches could see the fruit of Strategic Global Mission—how investing in church planters and ministry candidates can bring hundreds of thousands into the Kingdom of God.

HONOR CELEBRATION DVD

Mary Jo and I were so bombarded with love at the Honor Celebration in February. We had no idea what the staff and board were planning. The music and media ministry finished producing the DVD, and if you ordered one you should have it by now.

NEW ART OF PACESETTING LEADERSHIP DVD_s

Coming Soon!

Nearly 20 years ago, we produced the Pacesetting Leadership Course on video. It was translated into Portuguese, Russian, Indonesian, French, and Chinese. This Video set has been used on the mission field to **train almost 10,000 pastors** in Brazil, and 1,200 in Russia. As a result, the church experienced a whopping **10,000% growth** in the number of people coming to Christ. We do not know how many have been trained in Indonesia and China.

About five years ago, we updated the course and video recorded it. I was excited because I thought it would be my last opportunity to record the course for worldwide distribution. But the videos didn't turn out. I was tempted to be disappointed, because this course has been the keynote of my life and ministry...and literally thousands of pastors were trained and then trained their lay people with the course. Calls and letters have been coming in for years about an updated version. In Russia, they are still using VHS. (I know I know...what's that?)

Thank You...Steve Marshall and Stan Sochay for helping us train tens of thousands.

Then, like a miracle, Steve Marshall, along with Stan Sochay, gave me another opportunity. BTI wanted to do a Saturday teaching, and it was all captured on video. **Now, Pastor Kev and Pastor Steve tell me that the final product is coming.** These media people are geniuses and I'm so grateful to them.

Soon, the course will be available to missionaries all over the globe. Omar Beiler, Director of Missions Eurasia, said, "**Strong and effective leadership is the linchpin...for hundreds of church planting teams!**"¹

With this new tool, we'll have a part of training hundreds of new church planting teams around the world. Please pray for the swift completion of this project and donate as God lays it on your heart. If he lays a particular nation on your heart, we can make sure the right missionary gets these tools as scholarship and grant money is available.

TRAVEL WITH US

One of the greatest events we ever did together was when 75 of us traveled to Bob Harrison's Fort Lauderdale Increase Event.

1. *Our Big Dream*, Eurasia Region, 2011, p. 15.

Now, we are arranging best-priced travel for SGM and Club 52 partners for my events. I am enclosing my current itinerary and you are welcome to come with us anywhere. Intercessors always travel with Mary Jo and me, but here are a few trips that may bless you really big:

1. **Greensboro, NC** July 13–14: Financial and Leadership Empowerment Conference with Dr. Myles Munroe, Michael and Ramona Woods, John and Judy O’Leary, Sheila Raye Charles, and Bishop Dave!
2. **Palm Desert and Los Angeles, CA** August 1–2: I’ll be speaking at the historic Angelus Temple, founded by Aimee Semple McPherson, where Matthew Barnett is pastor. You can tour the Dream Center. In Palm Desert, I’ll be ministering at Rock Church.
3. **Turlock, CA** August 4–7: Holy Spirit Conference at Harvest Christian Center with Pastor Ron and Jennifer Eivaz.
4. **Palm Springs, CA** August 8–9: Ministers and Couples Retreat with Harry and Cheryl Salem.

Mary Jo and I would love to have you come along on any or all of these trips!

OUR WAREHOUSE

Dave Williams Ministries, SGM, and Decapolis Publishing have an off-site warehouse. Recently we had a large order and couldn’t even get to the products because they were stacked on pallets so high we couldn’t get to the bottom boxes without a forklift!

Leave it to our genius problem solvers! Robert got on Craig’s List and found a place going out of business that needed to sell its warehouse shelving. Then Gilbert Torres and his team tore into the cleanup, and we now have organized warehouse space. **Thank you everyone who helped on this project.**

POWER COMPANY

Reverend John Gunn is an amazing man, giving his life for children in East Michigan with a ministry called **Power Company** for inner city and at-risk children. You and I have supported them for years with annual grants. I saw John at a meeting a few weeks ago, and he told me that I should come to Pontiac and meet some of the kids that were rescued off the streets years ago—**now college graduates, married, and helping to reach other children for Jesus!** Beloved, this is God’s heart!

WWW.DAVEWILLIAMS.COM

Each day our web page is getting better. Soon there will be free downloads, podcasts, videos, sermon notes, devotionals, and prophetic words for YOU from my “private garden.” Go there at least once a week and click around to see what’s available.
